Dear Herb:

It was a real pleasure meeting with you and George this past week.

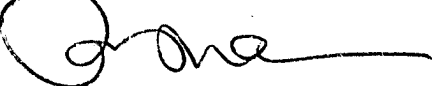

I have made some preliminary calls re a newspaper column, a book deal, and of course, lectures. I have received some very positive replys.

I am very excited about the possibilities, and I do hope that we can work something out. As I mentioned, I will be in Washington on the 9th and 10th of December, and I do have some time on the 9th, if you would like to get together again.

Again, thank you very much for your time.

Cordially,
